NOTHING BUT NETWORKING!

IMPORTANT: Bring LOTS of Business Cards to Pass Around!

It's time for the 1st "Nothing But Networking" session of 2010!

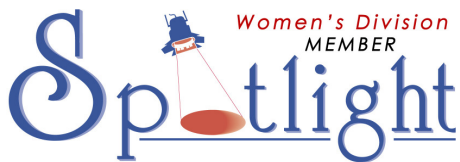

Never done this before? It's super simple! Just read below:

- After you check in at Registration, take a seat at your table.
- You will see a number in front of your place setting.
- When it's time, the Director will make the announcement - move to the table number that coordinates with the one you have in front of you. (Ex. If you have number 4, go to Table 4 next and sit at another number)
- Once everyone sits at your new table, a volunteer at the table will be "Time Keeper". (Please Stay On Time to give everyone their chance)
- Each person will have **30 seconds** to promote their business, and distribute business cards.
- When it's time to move again, look at the number in front of you, and off you go for another round! ☺

The Plano Chamber of Commerce Women's Division luncheons are held on the 2nd Wednesday of each month at Gleneagles Country Club, 5401 West Park Boulevard. Networking is from 11:30 am – noon, followed by the program, which concludes at 1 pm.

Reservations are required and can be made on-line.
The Chamber must receive reservations **by noon on Friday, February 5th**. See the Chamber website for more information: www.planochamber.org

Women's Division Donations*

"Thanks to the generosity of the Women's Division, CASA volunteers, such as **Marcie Mettica** pictured here, were able to grant holiday wishes for the teen victims of child abuse served by CASA. We received 8 bags full of donations and over 20 gift cards to brighten their holidays!"

- Kathy Blank
CASA Development Director

As the incoming Women's Division Director, do you have a special theme for 2010? This year I challenge all of us to make connections or add depth to those you are making. Take advantage of the networking opportunities that are provided to us by the Plano Chamber or Women's Division. Invite the person next to you for a cup of coffee. Pick up the Business Card List and call someone you'd like to get to know. Connections are powerful. While they may lead to new opportunities, they also add strength to the Women's Division, the Plano Chamber and to our community.

Do you and the new Board have any specific plans for the New Year? Our goal is to maintain our strong Chamber membership, continue to provide exceptional speakers who bring information that is relative to women in business, and to create a memorable experience for the members as well as visitors. We will also plan fun and exciting networking events throughout the year.

The greatest thing about networking with the Women's Division is: to see relationships develop, friendships blossom, businesses grow. Suddenly you are surrounded by people who want you to succeed, who support and appreciate you.
