**I hail from:** Granville, Ohio and currently reside in the historic district of McKinney. My office is in Plano.

**When I'm not hard at work, my "Play Time" includes:** golf and traveling with my husband, and sometimes grandchildren.

**A bit of wisdom or suggestion I can share with another woman, or person, in business is:** when I shed the negative thoughts about situations and people, it made room for the good to flow in abundance.

**The greatest thing about networking with the Women's Division is:** FRIENDS. Having moved to Plano from Austin to start my agency, I did not know anyone. Over the last eight years the Women's Division has given me the best gift.

**What makes you a "Woman in Motion" in 2011?** My agency continues to grow despite the economy and it is because my team and I don't sit still and wait for things to happen - we make them happen!
