Coming next month – WEDNESDAY, AUGUST 10th:

Uncommon Strategies for Unimagined Success
Dr. Venus Opal Reese, CEO/Founder of Creation Consulting Practice

“My life is a living demonstration that anything is possible.”

Venus Opal Reese was a walking statistic: living on the streets by the age of 16 amidst violence, drugs, and prostitution. The predictable outcome was welfare, addiction, and ultimately death. She graduated from Stanford University 14 years later with her 2nd Masters degree and a Ph.D. Dr. Reese knows what it takes to turn a situation that looks absolutely hopeless into unimagined success. She uses her inspirational and motivational story of perseverance, compassion, and hope, to teach others how to apply her success strategies to their professional and personal lives.

Dr. Reese has a BFA from Adelphi University; an MFA from Ohio State University in Acting and Movement Theatre, with an emphasis on choreography and mime; an MA in Drama, and a Ph.D. in Performance Theory and Literary Criticism, both from Stanford University. Dr. Reese has been featured on ABC News, CBS News, in Glamour magazine, Diversity Inc. and in the Associated Press.

I hail from: Honolulu, Hawaii and now live in Dallas.

When I'm not hard at work, my "Play Time" includes: spending time with family, playing chess, glass blowing and playing piano.

A bit of wisdom or suggestion I can share with another woman, or person, in business is: try to improve on what you do a little every day. A year later you will have a far better product than if you tried to do a major change in what you do.

The greatest thing about networking with the Women's Division is: the chance to meet highly successful and connected individuals.

How would you describe a "Woman in Motion" in 2011? A highly organized, effective and intelligent woman moving her company and workplace forward while taking care of her family with grace and perseverance.

2012 Women's Division Board of Directors

The Plano Chamber of Commerce Women's Division is seeking out members to serve on the Nominating Committee. These individuals will be responsible for the review of applications for candidates that are interested in serving on the board for Women's Division. Individuals that are interested in serving on nominating committee must be members in good standing of the Chamber and must not want to be considered for a leadership role in 2012 for Women's Division. Committee members will be asked to participate in 2-3 meetings, as well as make phone calls and provide feedback on those candidates that are applying for leadership roles. Past Women's Division or Chamber leadership are encouraged to participate.

If interested, please contact Janeen Browning at JaneenBr@BaylorHealth.edu no later than July 18, 2011.
