NOTHING BUT NETWORKING!

IMPORTANT: Bring LOTS of Business Cards to Pass Around!

It's time for the final "Nothing But Networking" session of 2011!

Never done this before? It's super simple! Just read below:

- After you check in at Registration, take a seat at your table.
- You will see a number in front of your place setting.
- When it's time, the Director will make the announcement - move to the table number that coordinates with the one you have in front of you. (Ex. If you have number 4, go to Table 4 next and sit at another number)
- Once everyone sits at your new table, a volunteer at the table will be "Time Keeper". (Please stay on time to give everyone their chance)
- Each person will have **30 seconds** to promote their business, and distribute business cards.
- When it's time to move again, look at the number in front of you, and off you go for another round! ☺

The Plano Chamber of Commerce Women's Division luncheons are held on the 2nd Wednesday of each month at Gleneagles Country Club, 5401 West Park Boulevard. **Individual introductions begin promptly at 11:50am**, followed by the program at noon, which concludes at 1:00pm.

Reservations are required and can be made on-line. The Chamber must receive reservations **by 2:00pm on FRIDAY, SEPT. 9th**. See the Chamber website for more information: www.planochamber.org

I hail from: Pilot Point, Texas and now live in McKinney.

When I'm not hard at work, my "Play Time" includes: spending time with family and friends, playing in local softball leagues, and attending Texas Rangers games.

A bit of wisdom or suggestion I can share with another woman, or person, in business is: it is important to always maintain balance in all aspects of your life. It helps you appreciate what is truly important and gives you the opportunity to have a fulfilling and rewarding life.

The greatest thing about networking with the Women's Division is: having the chance to work alongside other strong women to make our community better and further our careers as business women.

How would you describe a "Woman in Motion" in 2011? After litigating for a number of years, I have teamed up with a successful, quickly expanding, real estate law firm and will be running our new office in McKinney!
