Coming next month – WEDNESDAY, JANUARY 11th:

All businesses need insurance! The dream of owning a business becomes a reality for thousands of people each year. You need business insurance because most beginning entrepreneurs don't have the financial resources to handle adversity if it should come. Adversity can happen in many ways: fire can destroy your inventory, a power outage could cause your goods to spoil, or a customer could be injured accidentally while visiting your location.

Business insurance can protect you from these hazards and others. This is something I can help you evaluate. Call me to set an appointment and coffee is on me. We can meet at your favorite café or Starbuck's. Education and options are what my agency is all about!

Director's Message

Kathy Blank
2011 Director
Women's Division
Plano Chamber of Commerce

Wow! It seems like just yesterday that our 2010 Board was passing the torch to the incoming 2011 board. It certainly has been a year featuring **Women in Motion**, speeding down the freeway called "life" that guides our professional and personal lives. Yes, there have been some victory laps and some wonderful pit stops involving the exceptional monthly programs at our luncheons. From navigating the maze of professional growth to marketing your business to making some long lasting connections... this year has been a GREAT one for so many of us!

Maybe we've hit a few detours - unexpected twists and turns in the road. However, we are strong, resilient business women (and men) and have learned to keep our focus in order to achieve success in all our endeavors.

I would like to thank each and every one of you for sharing your precious time and talent with us. With gratitude, I pass the torch to our 2012 Women's Division Director, Janeen Browning. Janeen and her 2012 Board have a fabulous and exciting year planned for you!

Stay tuned and see you in January!

Happy Hanukkah
