

Direct Mail Marketing Tools

Labels & Lists

The Plano Chamber of Commerce can provide you with tools to help you market your product or service directly to the community and our membership. Every week the city provides us with a list of newcomers to the area and every day new and existing businesses are joining the Chamber.

These lists can be emailed to you weekly in an excel spreadsheet format. These lists are up-to-date and include business name (if it's the Chamber Member list), contact name, address, city, state and zip code.
