Make 2012 your healthiest year!
See why these Plano professionals love **Juice PLUS**:

"I am so pleased I don't have to take handfuls of vitamins anymore. This makes my life so much easier. Even when people around me get sick, I'm staying well and am able to work."
- Betty Magee
Magee & Associates, Realtors

"My husband & I both feel healthier. We don't get sick or experience allergies as often. I believe getting the added nutritional benefit of fruits and vegetables each day in our body is a wise investment."
- Sue Rackers
Plano Chamber of Commerce

"My fast paced days often preclude me from eating all the right things. Since starting Juice Plus I noticed an increase in energy and focus that usually comes from our fruits and vegetables. Now I know even on those 'junk' days I am getting the nutrients I need."

MEMBER SPOTLIGHT

Amy Fribourg The Maids

I hail from and am now settled in:
From Oklahoma City, OK. Now living in Plano, TX.

When I'm not hard at work, my "play time" includes (hobbies): My free time is spent with my husband golfing, dancing, hanging out at the lake - all the things we love to do with our grown children.

A bit of wisdom (ex. lesson learned) or suggestion I can share with another woman or person in business is: Portray your business with confidence and pride, as if you've been doing the job forever.

The greatest thing about networking with the Women's Division is: Making friends, exchanging ideas and experiences to help everyone run a professional business.

How will you "Embrace Your Greatness" in 2012? Our company prides itself on personalized service and we put forth a real effort to make each conversation with our customers one they will remember. We want them to feel comfortable with us so we can care for them with pride
