HONORING PLANO'S TOP BUSINESS AND COMMUNITY LEADERS

PLANO  CHAMBER
one vision. one voice.

 **Medical City**
Plano

Good Afternoon!

Welcome to this year's virtual 2020 Best of Plano.

Today we honor and celebrate the individuals and businesses that are the heroes among us. It is our privilege to bring the community together each year to recognize them and their accomplishments.

As a recently reaccredited 5-Star Accredited Chamber of Commerce, the Plano Chamber strives for excellence and is an effective conduit for connecting the community to local business.

Through 2020, the Plano Chamber has found a way to stay connected to and support members through this difficult time.

You will not find a city and chamber more focused on improving the quality of life of its citizens, promoting a vibrant business community, and providing meaningful, educational opportunities.

We appreciate your continued support and look forward to celebrating our great leaders today!

Best,
