Spanning nine months from September through May, the program is designed to increase community awareness and leadership skills. The opening retreat, a two-day orientation begins September 10, 2022, at 7 AM at the Plano Chamber. It focuses on individual leadership styles and techniques. From October through May, the class spends one day a month examining specific aspects of the community such as education, government, local business and economic development, health and human services, criminal justice system, the arts, and more.
