

Membership Changes/ Cancellations/ Transfers

Membership dues are paid in full upon applying to join the Chamber. Membership fees and dues are nonrefundable and non transferrable.

If a representative for a company is no longer employed or authorized to represent the member company, that representative is inactive and considered a nonmember. The company's membership is still active unless the company's circumstances change and they are no longer in business or they request to be dropped as a member.

If a company's name or ownership changes, the primary representative for the membership must contact the Chamber to authorize the name change. This is only allowed if a company's products and services remain the same and the business name has been changed on all marketing materials and with the Secretary of State's office. Under no circumstance can a representative change the name of their company without valid reason for the name change. Changing the name of a member company is considered a transfer and is not allowed.
